EDUCATION

Cochin University of Science and Technology (CUSAT)

Kochi, Kerala

BTech in Computer Science and Engineering | **GPA: 9.12 / 10.0**

Expected May 2028

TECHNICAL SKILLS

Languages: C, C++, Java, Python

Web Technologies: HTML, Django, Django REST Framework

Databases: SQLite, MySQL

Cloud & Platforms: Google Cloud Platform (GCP), Firebase

Tools: Git, Figma, Zapier, n8n

AI & Automation: Agentic AI, Workflow Automation (n8n, Zapier)

PROJECTS

Supply Chain Guardian | *Python, Agentic AI, GCP, Firebase*

2026

- Built an AI-powered logistics platform leveraging Agentic AI for autonomous real-time supply chain monitoring.
- Implemented intelligent product suggestion and automated risk mitigation modules for global supply chain operations.
- Integrated Google Cloud Platform and Firebase for scalable backend infrastructure and live data processing.

Pet Face Detector | *Python, Computer Vision, AI/ML*

2025

- Developed a pet facial recognition application that analyzes pet images to classify mood and emotional state.
- Implemented an AI-driven caption generation engine producing humorous, context-aware captions from the pet's perspective.

Quiz Web Application | *Django REST Framework, Python, SQLite, JWT*

2026

- Designed and built a full backend API using Django REST Framework with JWT authentication and SQLite.
- Implemented models for categories, questions, and quiz takers with server-side grading logic and a leaderboard endpoint.

LEADERSHIP & VOLUNTEER EXPERIENCE

Special Interest Group (SIG) AI Lead

Feb 2026 – Feb 2027

IEEE Computer Society Kerala Chapter

Kerala, India

- Led AI-focused technical initiatives, workshops, and community projects for the IEEE CS Kerala Chapter.

Treasurer

Feb 2026 – Feb 2027

IEEE CUSAT Student Branch

Kochi, Kerala

- Managed financial operations, budgeting, and fund allocation for all student branch activities and events.

Secretary, Antennas & Propagation Society (AP-S)

Feb 2025 – Feb 2026

IEEE CUSAT Student Branch

Kochi, Kerala

- Coordinated technical events, maintained official records, and facilitated internal and external communications.

ADDITIONAL

Soft Skills: Leadership, Teamwork, Communication, Financial Management, Organizational Skills

Languages: English (Professional Proficiency), Malayalam (Native)
